

CSEPP Policy Paper Number 12

Chemical Stockpile Emergency Preparedness Program (CSEPP)  
Exercises

The purpose of this document is to update the CSEPP Exercise policy, procedures, and objectives.

The changes reflected in this revision incorporate a course correction to streamline the Exercise Program and to provide a more timely evaluation report.

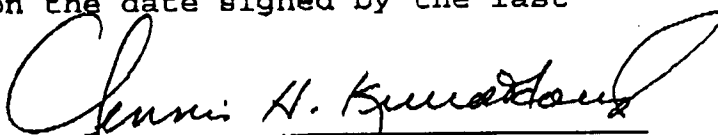

This document will be the final document and all exercise data will be placed into this one document. Changes and additional data will be incorporated by number and dated corrections.

The document becomes policy on the date signed by the last principal.
